

Career Objective

I am **chasing an internship** to grow my love for everything from **analogue electronics** to **full-stack web development**.

I love active problem-solving, and **tinkering** around with an ever-evolving project until it is exactly right. I enjoy learning & seeing how technology can be applied to **improve human lives**—whether through hardware, software, or a **beautiful combination of both**.

I am a driven, reliable team player with proven leadership skills and a knack for effective communication. I am always looking to learn new things and grow as a person—and I apply this mindset to everything I do.

Skills Summary

Problem Solving

- I am a natural problem solver, and **apply** my strong **logical thinking** to challenging situations. I leave things **better than I found them**, working methodically to arrive at an optimal solution.
- I have created a personnel development framework, and implemented a digital workspace to consolidate data, administration, and procedures into a single source of truth.

Communication Skills

- I am an effective communicator with an aptitude for **breaking down challenging concepts**.
- I help appreciative first-years with **intuitive explanations** for difficult, technical concepts. I also tutored English, Maths, and Science at high school.
- I have acquired experience in presentation skills, public speaking, and self-confidence through my New Zealand Cadet Forces development courses.

Leadership

- I am passionate about intent-based leadership and **understanding** each member's **strengths and weaknesses**—I strongly believe the whole is greater than the sum of its parts.
- I was a Prefect and Deputy House Captain at high school, a Cadet Warrant Officer Class Two in the NZCF, and led the House Haka in Years 11–13.
- I was appointed to be the Regimental Sergeant Major for a highly successful Recruit Training Course with units from across the Upper North Island.

Teamwork

- I strive to **be an asset** to any team, and try to morph into whatever role is in demand. I am often counted on for my punctuality and reliability—I **do not make promises I cannot keep**.
- I was a member of my high school's Premier Lacrosse and Premier Target Shooting teams, and know the importance of teamwork and collective buy-in.
