© Career Objective

I am chasing an internship to grow my love for everything from analogue electronics to full-stack web development.

I want to improve human lives—whether through hardware, software, or a beautiful combination of both.

I am always looking to learn new things and grow as a person—and I apply this mindset to everything I do.

☆ Skills Summary

Problem Solving

> I apply my strong logical thinking to challenging situations, and leave things better than I found them.

Communication Skills

> I am an effective communicator with an aptitude for breaking down challenging concepts.

Leadership

> I am passionate about intent-based leadership and understanding each member's strengths and weaknesses.

Teamwork

> I strive to be an asset to any team. I am known for my reliability—I do not make promises I cannot keep.
